Dear Mr, Richards:

My wife and I would Like to recognize and commend employees on your staff for the help we received at our house at 26 Pierce St on August 14th. My wife suffered a sudden and very unexpected medical emergency. I don't know if this will be helpful but the Enfield CFS# is 2500029664.

When your fire department was contacted they arrived swiftly, your employees Assistant Chief Don Ellis, Fire fighters Bob Shirley & Mike Sawtelle pitched right in and began assisting EMS in caring for my wife who kept drifting in and out of consciousness. They were very helpful, efficient and handled my wife with care.

They got her ready for transport and into the ambulance with careful and precise measures. I hope you will take the time to relay our sincere thanks and appreciation to all employees who were there for us.

We sincerely appreciate all help and kindness given to us by those employees.

In our society today most people take time to shout, complain, send nasty letters and blame others when things don't go the way they expect or want. Very few people take time to say thank You for a job well done.

Respectfully,

Gary & Linda Vancini
